

Drawings of Sustainable Design: Memories of Living Architecture

Open House: January 11, 10 a.m. – 2 p.m., West Building, Room W101

Open January 9 – 13, 10 a.m. – 2 p.m., West Building, Room W101

The International Programs Office would like to invite you to attend an open house exhibition by one of LWIT's Visiting Scholars. Professor Jin Hyeong Ju, visiting from Ansan University in South Korea, will be holding an exhibition of his architectural drawings. This is a public exhibition so please invite friends and family who may be interested in attending.

Jin Hyeong Ju is from Ansan University in South Korea where he specializes in architectural design. He is researching sustainable architectural design, focusing on healing environment design and facilities.
