TECHNICAL COLLEGE

Just a few notes from your Branch Campuses...

Summertime at Redmond Campus

Hot weather and a cool building is the perfect combination for summer classes! Redmond campus offers credit and non-credit classes in various areas. This summer, our schedule includes courses in Math, English, Psychology, Sociology, Communication, Accounting, ESL and the Summer Teen Program. It was a smooth start of the quarter with a total of 13 credit classes running and over 10 non-credit classes scheduled throughout the quarter. Student enrollment is just a smudge higher from last year and summer teen enrollment is still going strong. Four of the teen classes have now filled and newly added sections are gaining enrollment.

Over 100 Satisfied at Duvall Days!

The LWTC booth was a hit once again at Duvall Days. 117 people, to be exact, received either a free chair massage or express facial by one of our students. The guests left our booth satisfied and more relaxed after experiencing one of our popular services. The booth opened in the early morning and ran until four o'clock in the afternoon.

What is the Lanoga Corporation Room?

At the start of August, Redmond campus will reintroduce the Lanoga Corporation Room as a general classroom and will also be available for Conference services. This room has been occupied by the Redmond Toddler Group (RTG) since 2006 and used to hold their Pre-Toddler program; the Toddler Program is still located in the Microsoft Corporation Room.

An increase in rooms at Redmond means more flexibility for scheduling regular classes at the campus but also another place to book your next meeting or event! We will give priority to classroom scheduling starting in fall, and available slots will be open for Conference Services. The Lanoga Corporation Room setup includes a general classroom-style to seat 28; the medium sized room is located on the first floor of Redmond campus and overlooks the east entrance to Marymoor Park.

Accounting Program offers Book Scholarship Again!

The Accounting program is now accepting applications for a textbook scholarship award for fall quarter. Last quarter, five students received this award. Contact the Redmond Campus front desk for more information 425-497-3679.

Summer Hours!

Duvall Campus

Summer Quarter Hours:

Mon & Wed: 1:00pm - 10:00pm
Tue & Thur: 7:30am - 10:30pm
Fri: 8:30am - 5:30pm

Don't forget our Clinic Hours:
