Programs

LWTech offers over 100 degrees and certificates in more than 40 areas of study ranging from engineering graphics, welding, and nursing to computer science, culinary arts, and digital gaming and design.

LWTech also offers eight applied bachelor degree programs in Funeral Service Education, Dental Hygiene, Digital Gaming and Interactive Media, Computing and Software Development, Applied Design, Public Health, Behavioral Healthcare, and Transportation, Logistics and Supply Chain Management, with more applied bachelor’s programs in the pipeline.

Programs are taught by industry leaders and experts in their fields, and we partner with businesses that truly care about creating a bridge between our programs and the workplace, such as Astronics, Microsoft, EvergreenHealth, McKinstry, Anthony’s Restaurants, Mentor Graphics, NYTEC, and EPTAC.

Through college-level job training programs, LWTech additionally supports students’ successful transition from high school to college and then to the workforce with Lake Washington Technical Academy, Open Doors and Running Start. Adults can also earn their diploma or equivalent with Adult High School Completion and H21+ programs.

83.3% are employed within nine months of graduating

LWTech has the only Funeral Service Education program in the Pacific Northwest

Future

Through industry partnerships, we keep our finger on the pulse of rapidly changing technical industries, maintaining a curriculum that teaches not only the most current skills and technologies, but those required in the near future.

Through technical pathways for students and working professionals, we remain focused on student achievement, helping each best prepare for their career goals.

Preparing Students for Today’s Careers and Tomorrow’s Opportunities
