Take the first step to a career in computer science

Lake Washington Institute of Technology (LWTech) offers an Associate in Computer Science Direct Transfer Agreement/Major Related Program (DTA/MRP).

The associate in Computer Science DTA/MRP degree prepares students to transfer to a four-year university and complete a bachelor’s degree in Computer Science. This agreement is between the baccalaureate institutions offering a bachelor’s degrees in Computer Science and technical college system.
Program Highlights

- Curriculum includes programming languages such as Python and Java
- Apply scientific and mathematic concepts to problem solving
- The associate in Computer Science DTA/MRP is the newest direct transfer agreement/major related program that has an agreement between the community and technical college system and Washington state universities
- Graduates with a 2.0 or better will be able to transfer with junior status with all or most prerequisites for the computer science major completed
- Associate graduates will be able to transfer to LWTech’s applied bachelor’s degree in Computing and Software Development
