General Program Information

School of
Information
Technology

- Computing and Software Development BAS admission:
Fall 2024
- Program length: 6 quarters
- Accreditation:
Lake Washington Institute of Technology is accredited by the Northwest Commission on Colleges and Universities at the associate degree level and at the baccalaureate level.

Estimated Program Costs

Estimated costs do not include pre-requisite coursework.

These numbers are estimates and are subject to change.

90 Credits, 6 Quarters

- Estimated Tuition & Fee Cost: **\$14,776**
- Estimated Books and Supplies: **\$1,645**
- Estimated Class/Lab Fees: **\$1,496**
- Estimated Technology Fees: **\$2,556**
- Total Program Cost: **\$20,472**

Application Deadlines

Qualified students accepted on a rolling basis until the program is filled; early applications are encouraged by the preferred deadline.

Quarter Start: Fall 2024

- Priority Deadline
May 20, 2024
- Rolling Deadline
August 26, 2024

Rolling Admission process will be used for applications received **after May 20, 2024**

Locating the Application

The Computing and Software Development BAS application is an online application

Computing & Software Development
BAS Online Application

Computing and Software Development application and information is available online at LWTech.edu/csd

Please create an account in the [Admissions Application Self Service Center](#) to start your online application

Application Requirements

- Applicants must have earned an Applied Associate Degree, or equivalent, from an accredited institution in a computer science, software, or programming related field.
- Minimum 2.0 GPA cumulative across all college coursework.
- Official Transcripts documenting all prerequisite courses at a college other than LWTech must be sent to LWTech Enrollment Services office.

Required Courses for Application

The following requirements must be met before filling out the admission application for the Computing and Software Development BAS program.

Completion of 25 credits of College-level General Education prerequisite courses with a minimum 2.0 GPA in each of the following classes:

- English Composition: 5 credits
 - ENGL& 101 or equivalent
- Quantitative & Symbolic Reasoning: 10 credits
 - MATH&142 Pre-Calculus II (or higher level Calculus course) AND
 - CS 143 Computer Science II Java (or equivalent Computer Programming II course)
- Social Sciences: 5 credits
- Humanities: 5 credits

Students who have courses to complete at time of admission may be admitted conditionally.

Online Application

- Once your application is completed, make sure to click the "**Submit Application**" button on the last page.
- If you do not "**Submit**" your application is considered incomplete and will not be reviewed.

Application Requirements

This degree has an academic bridge component that may be completed after admission but prior to entering the first quarter of program coursework. This allows students to complete general education coursework that may not have been taken in the course of completing the Associate level degree in their discipline. We encourage all applicants to work with an advisor in planning their path to applying to the CSDBAS. LWTech offers coursework in the summer to facilitate student completion of the academic bridge courses.

1. Applicants must have earned an Applied Associate Degree, Direct Transfer Associate Degree, or equivalent from an accredited* institution in a computer science, software, or programming-related field to be eligible to apply.
 - Degree equivalency is defined as completion of at least 90 or more college-level credits that minimally include 5

Checking Application Status

You will receive an admissions decision within **5 weeks after the deadline** from the Selective Admissions Office

- You can check on the progress of your admission decision status by logging into your Self-Service Center.
- Requirement status will be updated manually, when admission staff process and verifies your application documents.

Requirements	
Name	Status
Degree or College Credit	! Not Received
Minimum College GPA	! Not Received
English Composition	! Not Received

Application Decision Status

- The final decision **status** will be available on your online account. You can check decision status by logging into your Self-Service Center.
- To accept the offer of admission, you must return an accept/decline form.
 - Click 'Respond' in the top-right of this letter and submit online
 - If you experience any difficulty with this form, please email selective.admission@lwtech.edu or call (425) 739-8104 to get assistance

Transferring Credits To LWTech

- Academic classes can only be accepted from [accredited institutions](#).
- Due to high demand for evaluation services, students are encouraged to submit official transcripts at the time they apply to LWTech.
- Evaluation results will be available **2 - 4 weeks** after the receipt of official transcripts.
- The results of the evaluation can be viewed by viewing your [Degree Progress](#) for your current program of study.
- Email selective.admission@lwtech.edu if your transcript is not received or evaluated after **4 weeks**.

Paying for College

- **Apply for financial aid**– the most common applications are the FAFSA and the WASFA.
 - To learn more, go to lwtech.edu/financialaid
 - The application is FREE
 - Financial Aid takes significant time to process; please apply early before you apply to the BASCSD program so that you are not delayed in receiving funding.
- **Apply for other forms of funding such as scholarships**
 - lwtech.edu/scholarships

Computing and Software Development Information Session

Visit the Computing
and Software
Development
program page at
LWTech.edu/csd

for dates, times, and
locations

- This session is open to current and prospective students.
- This interactive information session will provide students the opportunity to learn about the LWTech Computing and Software Development BAS admission process.
- Students will have the opportunity to ask questions about
 - the admissions process
 - bring their transcripts for an initial evaluation
 - create a tentative academic plan outlining their pre-requisites in preparation for applying to the CSD BAS program.
