

Diesel & Heavy Equipment Repair Technician Waitlist

Thank you for your interest in the [Diesel & Heavy Equipment Repair](#) program! This popular program has a wait list. To get on the wait list, you must first meet the prerequisites and you must be eligible to be a student.

Pre-Requisites to Join the Waitlist

1. You must apply for admission to LWTech and have a Student ID Number
 - a. To apply for admissions and receive a Student ID Number, go to: LWTech.edu/apply
 - b. To complete this step, you must be at least 18 years old **or** have a high school diploma **or** have a GED. After you apply, you will get a Student ID#.
2. The pre-requisites to join the waitlist are [ABED 046](#) (or equivalent placement score for [ENGL 093](#) or higher) and [ABED 040](#) (or equivalent placement score for [MATH 087](#) or higher).
3. If you've never been to college, you must attend a New Student Orientation.
More information can be found at the Orientation Webpage: LWTech.edu/orientation

Joining the Waitlist

After you have met all of the pre-requisites, you should make an appointment with an Advisor. You can contact the Advising office at: (425) 739-8300. The Advisor will ensure you meet the prerequisites, have the Student ID#, and that you completed New Student Orientation. Once confirmed, you will be added to the waitlist.

Proving You Meet the Math & English Pre-Requisites

You just need **ONE** of these options to provide to Advising:

1. Take the free Math and English placement in the LWTech Assessment Center in the West Building – W204. (After you get a student ID#, you can drop-in Monday-Wednesday between 8 a.m. – 2 p.m. or Friday between 10 a.m. – 2 p.m. for the assessment. No appointment needed. Give yourself 2-3 hours to take these assessments. English results are emailed within 24 hours and you get the math result before you leave.)
2. Show the Advisor your unofficial college transcripts.
3. Show the Advisor your unofficial high school transcripts within two years of graduating.
4. Show the Advisor your Smarter Balanced assessment test scores from high school within one year of graduating.

Current LWTech High School Students (Including Running Start)

Contact your High School Program advisor to see if you meet the criteria to get on the wait list.

Student's Under 18 Years Old Who Don't Want to Apply for a High School Program at LWTech

You have an option to apply for admission at LWTech.edu/apply, but you must put your quarter start date on the application indicating when you **will** meet the criteria to be a student here.

Example: if you are in your senior year of high school and are 17 years old (ex: birthdate March 19), you can join the waitlist when you turn 18 (March), when you graduate (June), or whichever comes first. However, you can **apply** to LWTech at 17 (now) and name your start date as a future quarter, which would be either the quarter you turn 18 (March=spring quarter) or the quarter you graduate (June=summer quarter).

Applying to LWTech means that you can get a Student ID#, go to New Student Orientation, and if needed, take the math & English assessment. However, you **won't** be able to join the wait list until you are either 18 or have a GED or have a high school diploma. Your student account will have a "hold" on it until you meet the criteria. Once you meet the criteria, you can meet with an advisor to join the waitlist.
