Application Requirements

This degree has an academic bridge component that may be completed after admission but prior to entering the first quarter of program coursework. This allows students to complete general education coursework that may not have been taken in the course of completing the Associate level degree in their discipline. We encourage all applicants to work with an advisor in planning their path to applying to the BAS-GAME. LWTech offers coursework in the summer to facilitate student completion of the academic bridge courses.

1. Applicants must have earned an Applied Associate Degree, Direct Transfer Associate Degree, or equivalent from a regionally accredited institution in Design related discipline - digital game design.

Application Requirements

- Associate of Applied Science (AAS) degree, or equivalent, in a from a regionally accredited institution in a design related discipline—digital game design, multimedia, or graphic design.
- Minimum 2.5 GPA cumulative across all college coursework.
- \$50, non-refundable, application fee

Required Courses for Application

The following requirements must be met before filling out the admission application for the Digital Gaming & Interactive Media BAS program

- Applied Associate degree, Direct Transfer Degree, or equivalent from a regionally accredited institution in design or a related discipline (digital game design, multimedia, or graphic design).
- Minimum cumulative 2.5 GPA across all college coursework
- Completion of at least 30 credits of college-level General Education courses with a minimum 2.0 GPA in each of the following classes:
 - English Composition: 5 credits
 - ENGL&101 or equivalent
 - Social Sciences: 5 credits
 - Quantitative Reasoning: 5 credits
 - College level math course with Intermediate Algebra as its prerequisite, or higher
 - Humanities: 15 credits:
 - ART 121 Intro to Drawing or equivalent,
 - ART 102 Design 1 or equivalent, and
 - ART 203 Intermediate Drawing or equivalent
- Design portfolio with a minimum of five projects (maximum of 7). Projects should show evidence of design process and demonstrate research, conceptual processes, sketches and iterations that led to the final result.
- \$50 non-refundable application fee
