

# The Diversity and Social Justice (DSJ) Requirement

Lake Washington Institute of Technology

# The Diversity and Social Justice (DSJ) Requirement

- ❑ Focuses on diversity and social justice, and it applies to all programs of the college.
- ❑ Reinforces the college's commitment to diversity, equity, and inclusion while aligning our standards with many other colleges in Washington State.
- ❑ Dives deep into diversity and social justice in either an entire course dedicated to or contextualized around diversity and social justice.

# The Diversity & Social Justice Requirement (DSJ)

Dives deep into diversity and social justice in an entire course dedicated to or contextualized around diversity and social justice.

May be contextualized to Prof-Tech or General Education courses.

The requirement is linked both to the course and the instructor.

# The New DSJ Requirement

Every student is expected to take, at least, one DSJ designated course.

This requirement doesn't add costs to degree requirements and no additional time to meet required degree pathways.
