Application Requirements

This degree has an academic bridge component that may be completed after admission but prior to entering the first quarter of program coursework. This allows students to complete general education coursework that may not have been taken in the course of completing the Associate level degree in their discipline. We encourage all applicants to work with an advisor in planning their path to applying to the BASPH. LWTech offers coursework in the summer to facilitate student completion of the academic bridge courses.

1. Applicants must have earned an Applied Associate Degree, Direct Transfer Associate Degree, or equivalent from a regionally accredited institution to be eligible to apply.
 - Degree equivalency is defined as completion of at least 90 college level quarter credits at a regionally
