The Early Achievers Grant provides funding (tuition, books, and student support services) to help you earn stackable certificates, leading to an Associate degree in Early Childhood Education.

By providing scholarship funds, the Early Achievers Grant gives you a career boost as a childcare professional, and advances you on the Washington State Early Learning Career Lattice.

ECE programs of study allow you to go at your own pace, and offer a variety of options for learning, including:

- Online Learning
- Face to Face in a Classroom Setting

Your experience working with children will be valued, and assignments can often be completed on the job.
