

Funeral Service Education

 School of Health Sciences

Prepare for a career of service to your community

The **Funeral Service Education** (FSE) program at Lake Washington Institute of Technology, located in Kirkland, Washington, offers an Associate of Applied Science (AAS) and a Bachelor of Applied Science (BAS) Funeral Service Education. The FSE (AAS) degree prepares students to achieve entry-level proficiency as embalmers and funeral directors. The BAS in Funeral Service Education will provide students applicable knowledge of issues and trends currently related to funeral service.

The degree will have many opportunities for professional and personal growth, while empowering students to become innovative leaders in the funeral service industry. Funeral service professionals provide counsel, service, and emotional support for those who have experienced the death of a loved one.
