High School Programs Newsletter

January 2022

Message from the Dean

Hello LWTA Students and Families,

As we continue to learn about the impacts of COVID-19 and its variants, the college will be taking steps to reduce the number of staff on campus in order to provide the greatest safety to all our students and staff.

As of Monday, January 10th, we will be temporarily reducing the number of staff in our office.

The High School Programs office will maintain its established office hours and you can still contact us for any needs, but you may notice fewer staff in the office.

You can still contact us via email directly and/or to schedule an appointment with your advisor online.

Please refer to the following information below, under the section [Legend Links](#), regarding advisor and contact information.

You can schedule an appointment with your advisor directly or contact our front desk at highschoolprograms@lwtech.edu

Thank you all for your patience,

Tuán Đặng

Dean of Instruction | High School Programs and Parent Education

Annual Information Update

For parents and guardians that have not completed the **Annual Student Information Update**, please take a moment to log into Skyward Family Access to complete this mandatory survey. Please reach out to [Christie Silva](#) if you have questions.

Tip of the Month

Do you know how to run a degree audit and why it is Important?

You can run a degree audit against the degree/certificate you are pursuing to see which academic core classes transferred in by logging into [Student Toolbox](#)

Run a degree audit to see how many courses you have left to complete in your degree/certificate program.

Run a degree audit as part of the required paperwork to submit a graduation application to Enrollment Services.

Important Dates

- January 17 – Martin Luther King Jr. Day – Holiday, Campus Closed
- February 21 – President’s Day – Holiday, Campus Closed
- February 28 – LionsLink Go Live

Note: The Lake Washington Technical Academy is not part of the Lake Washington School District and does not follow their closure system. Please refer to LWTech’s website to find out if the campus is closed for any reason.
