

To provide an educational experience where students graduate with academic, technical and life skills
- High School Programs Purpose Statement

High School Programs Newsletter

February 2022

LionsLink powered by CTCLink

Go Live is fast approaching. In addition to the College's communications regarding the switch to LionsLink, High School Programs will be providing supplemental FAQs to help LWTA families navigate the myriad of services provided by LWTech and Lake Washington Technical Academy. We will be sending these out via email to all families as well as provide flyers in our office, by February 28th.

Staff Updates

Misty Vargas has accepted a position in the Office of Instruction. Her last day with High School Programs is February 28. If you have the opportunity, please wish her well. Her position will be replaced shortly. Congratulations Misty!

Smarter Balanced Testing: April 2022

Lake Washington Technical Academy will offer Smarter Balanced Testing (SBA) for currently enrolled students in April 2022 on the following dates:

April 19-21, 9:00am-12:00pm

April 26-28, 9:00am-12:00pm

Please contact your HS Programs Advisor to learn if you need to take the SBA in April.

Annual Information Update

For parents and guardians that have not completed the **Annual Student Information Update**, please take a moment to log into Skyward Family Access to complete this mandatory survey. Please reach out to [Christie Silva](#) if you have questions.
