

LionsLink powered by CTCLink

LionsLink is now live for students! If you have not activated your LionsLink account yet, visit [Welcome to LionsLink | Lake Washington Institute of Technology \(lwtech.edu\)](#) for account activation guide and student support sessions.

Book and Tool Pick-up for the Spring Quarter

Our office will issue books during the first week, April 4-7 and the second week, April 11-14.

If you are starting a program that requires tools this Spring (auto, machining, welding, diesel), call our office at 425-739-8107 to schedule time with [Tuan](#) to pick-up your tools. If you're not sure if you need tools or if we provide them, speak to your Advisor.

Brand New Scholarship Process

Through the generous support of the Peierls Foundation, we continue to offer support for our students through various scholarship opportunities. This month, we are happy to introduce a new [LWTA Scholarship Application \(office.com\)](#) process. Try it out and see what you think. **The Spring Program Cost scholarship is due April 11 by 4pm.**

Thank You Video

High School Programs is putting together a short video for area school counselors to let them know how much we appreciate them. We would love your participation! **Record a 10 second video message to thank the HS counselor that helped you connect with LWTech** and send it to highschoolprograms@lwtech.edu. **Deadline is April 15.**

Smarter Balanced Testing - April 2022

Lake Washington Technical Academy students who need to take the Smarter Balanced Assessment as part of their Graduation Pathway may do so in April 2022. Testing will be spread out over the weeks of April 18 and April 25. Students who should take the test will be contacted by their HS Programs Advisors. More information about high school standardized testing in Washington state can be found here: [State Testing Frequently Asked Questions | OSPI \(www.k12.wa.us\)](#).
