Farewell to Dedicated Staff

With the start of the new school year, High School Programs will be missing three dedicated staff members – Devin Blanchard, Sarah DeWitt, and Trieu Truong. Devin was the heart & soul of the Open Doors Program for many years; Sarah was the face of High School Programs, working the front desk; and Trieu tirelessly managed the textbooks and tools. All of them, throughout their time in our office, did their jobs and more to help our students pursue their educational goals. All will be missed by many staff, students, and families.

Welcome to New Faculty Counselor

The new school year brings a new Faculty Counselor, Jessica Kruse, to High School Programs. Jessica will be teaching in the Open Doors Foundation Quarter, advising the PM Foundation students, and advising Academy / Direct Entry students A-F. Jessica has previous professional experience as a high school counselor at Nathan Hale High School in Seattle. She is originally from Georgia and is the mom to two cats, Koko and Meika, and one dog, Larry.

Quarterly Program Scholarship

Every quarter high school programs offers a reimbursement scholarship to help assist with program costs (online access codes, supplies, etc.). The application is included with this newsletter. Email your completed application to highschoolprograms@lwtech.edu by October 14. Students will be notified of approval or denial through student email and if approved, the student will be notified again when the checks are ready for disbursement. Be sure to note that it can take up to two weeks for the checks to be ready.
