

Financial Aid & Scholarships

LWTech.edu/financialaid

“Receiving scholarships during my time at LWTech has really freed me to focus fully on my program. I think that has really paid off in academic achievement, lower stress and more possibilities in the future.”

– Peter Stanton, The Boeing Company
STEM Scholarship & LWTech
Foundation Bright Futures Scholarships

The Financial Aid office helps students seeking financial assistance meet their educational expenses at LWTech. Students need not be low income to qualify for some types of financial assistance. Students may apply for most types of financial aid by completing the FAFSA (Free Application for Federal Student Aid).

**LAKE WASHINGTON
INSTITUTE OF TECHNOLOGY**

Types of Aid:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity (SEOG) Grant
- Washington State Need Grant
- Work Study
- Stafford & PLUS Loans
- Veteran Benefits
- Workforce Development

Scholarships

- **LWTech Foundation Scholarships:** The Foundation offers a variety of merit and need-based scholarships in the fall and spring of each academic year. Scholarships are open to students enrolled or enrolling at LWTech.
- **Future Tech Stars:** The Future Tech Stars scholarship program will provide \$125,000 in scholarships every year to low-income, non-traditional students in STEM disciplines including computer security, software development, digital gaming, and design.

Services:

FAFSA Workshops: Need help completing your FAFSA? A Financial Aid advisor can help you apply online.

State Financial Aid for DREAMers: Eligibility for several Washington State financial aid programs has expanded to include students who are ineligible for federal financial aid due to immigration status and meet the following eligibility requirements:

- Have graduated (or will graduate before beginning college) from a Washington State high school or obtained a GED or equivalent
- Have lived in Washington for three years prior to, and continuously, since earning the high school diploma or equivalent
- DACA students who are Washington state residents may also be eligible

LWTech is a public college and is proud to be regionally accredited by the Northwest Commission on Colleges and Universities at the associate and bachelor degree level. The NWCCU is the same organization that oversees accreditation for 162 institutions, including University of Washington, Washington State University, and Central Washington University. Some of our programs carry industry accreditation as well.
