Get Started Checklist

Getting started at LWTech is easy! Follow the steps below to become an LWTech student:

1. CONNECT
   We offer many resources to help you decide if LWTech is right for you. New students are encouraged to:
   - Connect with the Admission Coach for personalized assistance and questions at LWTech.edu/GetStarted
   - Check out our programs of study online at LWTech.edu
   - Attend a virtual Information Session: LWTech.edu/Visit
   - Attend a Career Choice Workshop (optional): LWTech.edu/ERC

2. APPLY
   Applying for admission to LWTech is simple, free, and online:
   - Apply for admission online at LWTech.edu/Apply
   - Within two working days of applying, you will receive an email verifying that you were admitted to the college. It will also include your Student Identification Number (SID) and student email set-up instructions.

3. REGISTER
   After your admission application has been processed and you have a Student Identification Number (SID), you will follow the two steps below to register for classes.
   a. Placement: Before you can meet with an advisor to select classes, you must have your Student ID Number (provided after you apply for admission) and have math and English placement.
      - There are multiple placement options including high school transcript or test scores, college transcripts, and LWTech’s placement assessment.
      - Visit the placement page to see which option works best for you at LWTech.edu/Placement.
   b. Advising: Meet with an Advisor after you have placement documentation or results to register for classes.
      - All new students are required to meet with an advisor prior to registering for classes.
      - Visit the advising page to learn how to meet with an Advisor at LWTech.edu/Advising.

Questions?
