

Congratulations Class of 2021!

On behalf of the Board of Trustees of Lake Washington Institute of Technology, I would like to extend our hearty congratulations to you on your graduation!

We are so proud of all that you have accomplished at LW Tech. You overcame the obstacles the pandemic put in front of you, you stayed the course, and now you're graduating.

You are going into the workforce well equipped to take on whatever comes next, because you learned through this unusual time in our world to be a leader who is flexible, focused, humble, accepting, thoughtful, and prepared.

With these skills you are now ready to make a difference in your chosen career, and our world.

While we will miss celebrating you and your accomplishments in person at commencement this year, we look forward to being able to do so when you are recognized at next year's ceremony.

Congratulations once again. We are so proud of you and all you've accomplished.

Sincerely,

Anne Hamilton, Chair
