

Veteran Services

LWTech.edu/veterans

Veteran students place pins where they were stationed on the large map in the Veteran's Center

“This school has given me a chance to decompress, unwind, and rediscover who I am outside of the military.”

—Tim Franco, Veteran, Electronics Technology, and Photonics Technology student

Lake Washington Institute of Technology's Veteran Services includes the Center of Excellence for Veteran Student Success (CEVSS) and Financial Aid. The supportive staff connects Veteran students to their educational benefits. The Veterans Services team is dedicated to the educational,

health and wellness, and transitional needs of today's veterans. If needed, CEVSS connects veterans to Federal, State, and County resources (i.e. housing, counseling, and employment services). We are more than a center of learning; we prepare our students for what lies beyond.

**LAKE WASHINGTON
INSTITUTE OF TECHNOLOGY**

Services:

- **Assessment:** The assessment test provides placement information for Math and English courses and may be required for some technical classes or programs.
- **Veterans Benefit Orientation:** The mandatory Veterans Benefit Orientation provides Veteran students with detailed information regarding benefits eligibility.
- **Orientation:** Tuesdays, 2:30 p.m. and Thursdays, 11 a.m. West Building, W213C
- **Academic Advising:** Students receive one-on-one support to develop an academic plan that helps Veteran students establish short- and long-term goals.

LWTech is a public college and is proud to be regionally accredited by the Northwest Commission on Colleges and Universities at the associate and bachelor degree level. The NWCCU is the same organization that oversees accreditation for 162 institutions, including University of Washington, Washington State University, and Central Washington University. Some of our programs carry industry accreditation as well.
