Monthly Rates

Monthly rates are designed for the student or employee that utilizes care between the academic quarters at the college when college classes are not in session but the ELC is open. This rate covers all dates that the center is open and operating and gives those students and employees a small discount in doing so. Monthly rates are always due the first business day of each month.

Weekly Rates

Weekly rates offer flexibility for the student or employee that may not need care between the academic quarters at the college (such as spring break). You are offered the flexibility to end your contract on the last week of class for the quarter. Weekly rates are due every Monday of the upcoming week.

Full Time

Full time rates are for students and employees who plan on having their child attend Monday – Friday anytime during the centers operating hours (maximum of 10 hours per day). Children may not be dropped off after 9:30 a.m.

Part Time

Several part time options are available for students and employees. If you choose one of these part time options, you are obligated to follow the schedule you create in your contract; changes to your schedule will not be accepted. If you choose the half day option and do not pick up at your child at your designated time, you will be charged the full day rate and a late pick of fee of \$25.

Additional Fees

Late Payment Fee: \$25

Monthly Payments & DSHS Co-payments

Payment is due by the first business day of every month. Any payment made after the 5th day of the month is subject to a \$25.00 late fee per day until payment is made.

Weekly Payments

Payment is due on Monday for the upcoming week. Any payment that is paid Wednesday, or later, is subject to a \$25.00 late fee per day until payment is made. If tuition is not paid for two consecutive weeks, the child's enrollment may be terminated by the ELC.

Late Pick-Up Fee: \$25

If you arrive past your scheduled pick up time according to your contract, a late fee of \$25.00 will be assessed for the first 10 minutes and will accrue at \$1.00 per minute for each minute after.

DSHS Subsidy

The Early Learning Center currently accepts DSHS subsidy for children who will be in attendance 3 or more days per week. All approval paperwork from DSHS must be received by the early learning center and monthly copayment must be made before your child is able to attend. Your monthly copayment is determined by DSHS and is due by the 1st of each month, regardless of attendance. If payment is not made by the 5th of the month you may be subject to termination of care.
