

Disability Support Services

LWTech.edu/dss

Lake Washington Institute of Technology's Disability Support Services works to ensure students who experience a disability have an equal opportunity to participate in educational and co-curricular offerings. We do this by facilitating the Accommodation Process through an individualized, student-centered approach. LWTech is committed to providing full support services to all students with disabilities in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.

LWTech is a public college and is proud to be regionally accredited by the Northwest Commission on Colleges and Universities at the associate and bachelor degree level. The NWCCU is the same organization that oversees accreditation for 162 institutions, including University of Washington, Washington State University, and Central Washington University. Some of our programs carry industry accreditation as well.
