

LOGGING INTO CAMPUS COMPUTERS

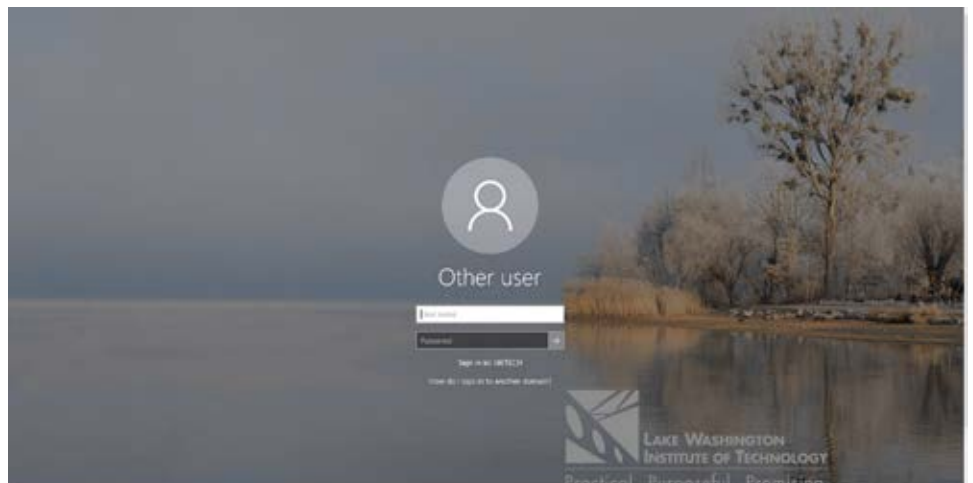

To log into a campus computer

1. Shake the mouse or press any key on the keyboard to wake up the computer. The Acceptable Use Policy is the first screen you see.
2. Read the policy and if you agree click on the **OK** button at the bottom of the screen. (You may need to scroll down to find it.)

You are now at the Login Screen

1. Enter your **Username**
2. Enter your **Password**
3. Click on the arrow button next to your password or hit the enter key
4. You should now be logged into the computer

If you do not know your Username or Password you will need to find a Kiosk or use your mobile phone and go to My.LWTech.edu or use the express password reset app from the android store or the apple app store. For more details on logging into my.LWTech see the "Logging into MyLWTech" and "MyLWTech Dashboard" guides for more information.
