

## How to Disable a Pop-Up Blocker: Chrome

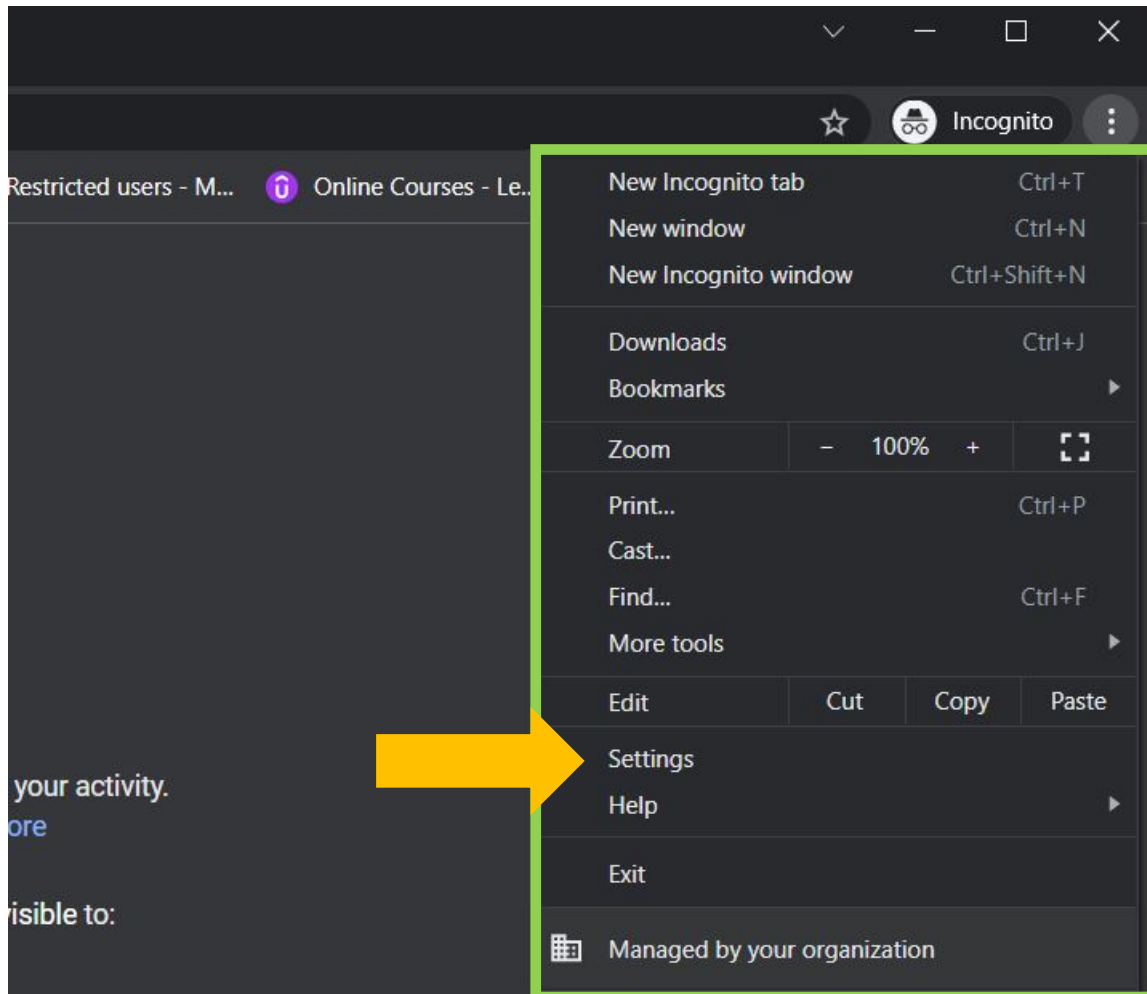

### 1) Open Chrome

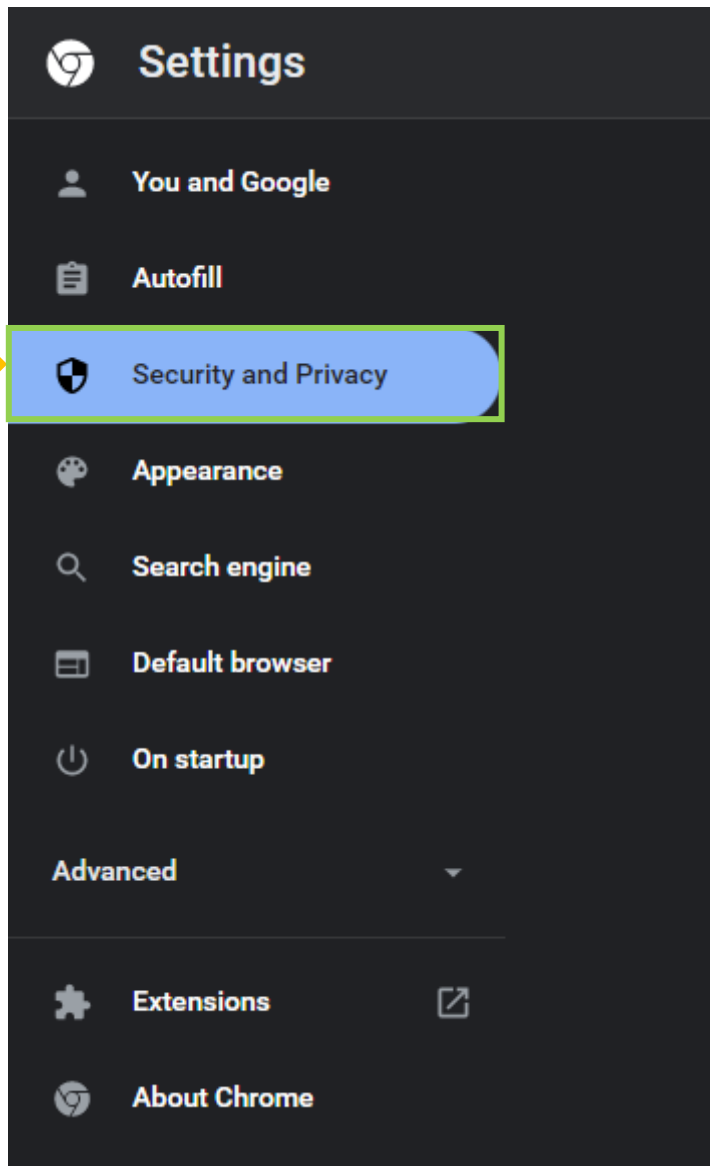

### 2) Click on the vertical dots in the upper right-hand corner of the window.

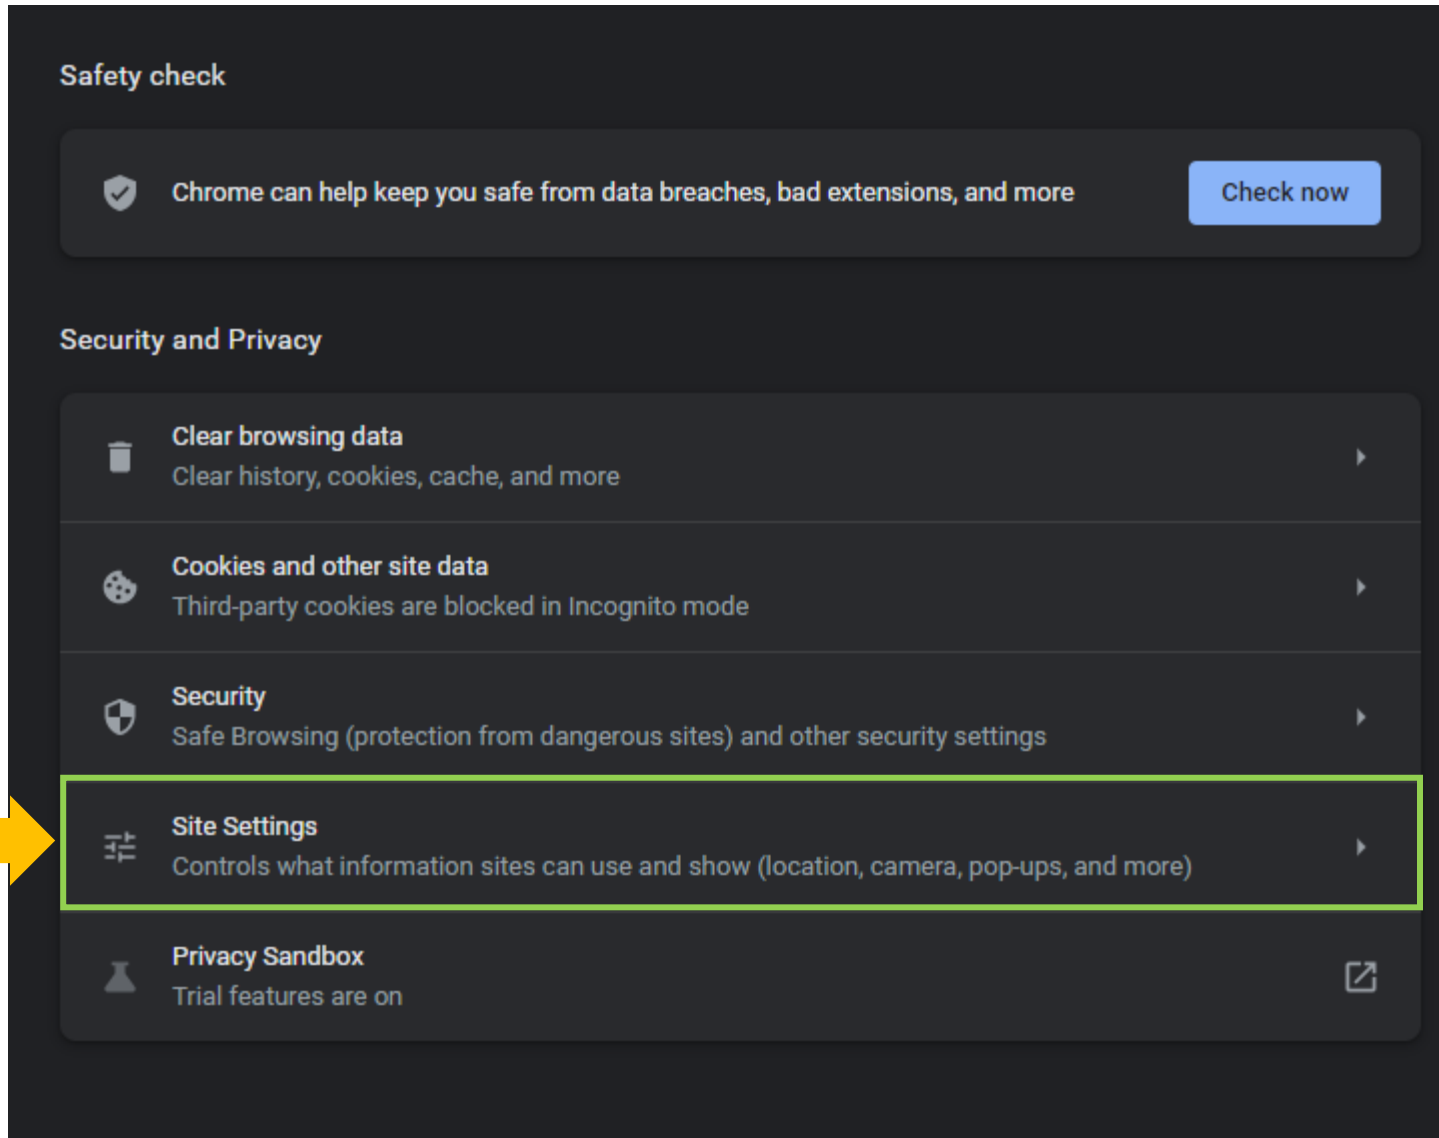

3) Now, you will see Chrome's Options menu. Select: Settings.

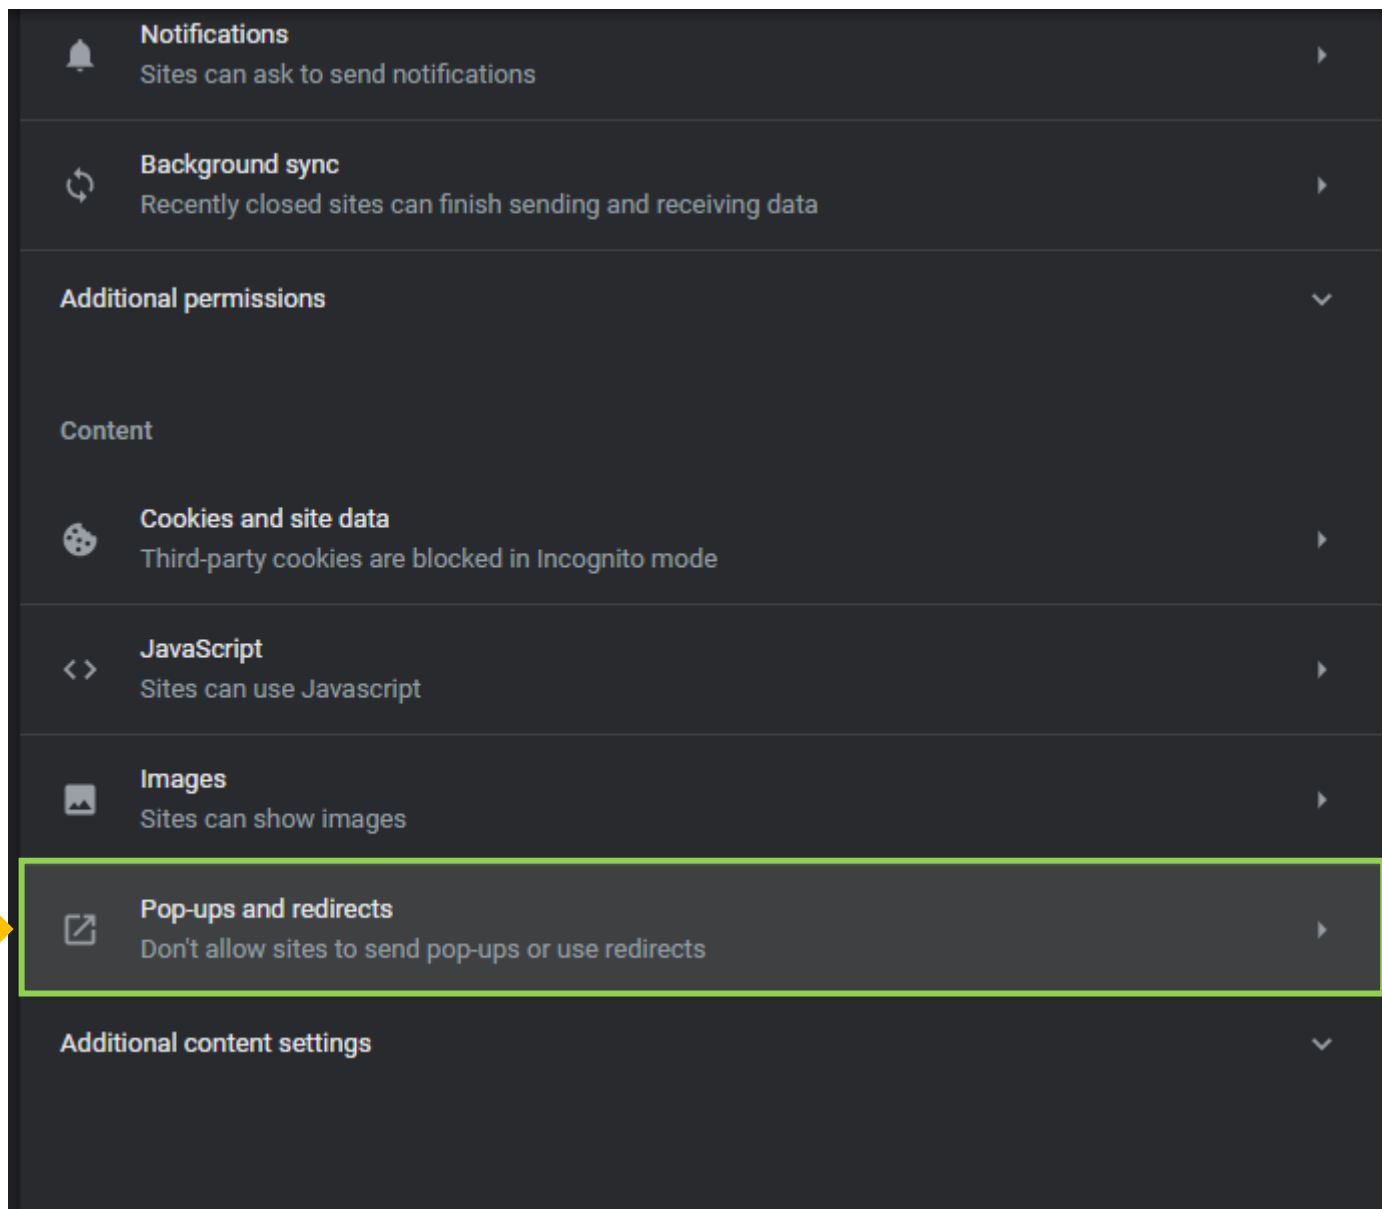

4) There will be a sidebar on the left-hand side. Click on Security and Privacy.

5) In that tab click on the Site Settings button which will bring you to a new submenu called Permissions.

6) Click on Pop-ups and redirects at the very bottom of the list right.

- 7) Under Default behavior there will be two options.
- a. To Turn off Popup Blocker:
    - i. You will want to select Sites can send pop-ups and use redirects
  - b. To Turn ON Popup Blocker:
    - i. You will want to select Don't allow sites to send pop-ups or use redirects
