### Microsoft Student Option User Acceptance Form

This message applies to:

Product	Agreement Number	Enrollment Number
Microsoft Windows 10 Education (Multilanguage) - Download - Product Key	09C36394	7084623

- Grant of license:** Licensor hereby grants student the right to run one copy of the version number and language of the software identified below which student has installed on student's PC per the rights granted to student by the Institution under the Campus subscription program. Student's right to use the software shall be governed by and subject to the relevant section(s) of the most current Product Terms.
- Description of rights and limitations:**
  - Limitations on reverse engineering, recompilation, and disassembly:** Student may not reverse engineer, decompile, or disassemble the software, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.
  - Separation of components:** The software is licensed as a single Product. Its component parts, if any, may not be separated for use on more than one computer.
  - Rental:** Student may not rent, lease, or lend the software.
  - Support services:** Students acquiring software under the Campus Agreement program are not entitled to free telephone support.
  - Software transfer:** Notwithstanding any terms to the contrary in Institution's Campus Agreement, student may not sell, assign or otherwise transfer student's rights under this student license confirmation. In view of the fact that student has acquired the right to use the software under special terms pursuant to Institution's Campus Agreement, any transfer of student's rights under this student license confirmation is strictly prohibited.
- Copyright:** All title and copyrights in and to the software (including but not limited to any images, photographs, animations, video, audio, music, text, and "applets" incorporated into the software), and any copies of the software are owned by Microsoft or its suppliers. The software is protected by copyright laws and international treaty provisions. Therefore, student must treat the software like any other copyrighted material except that student may install the software on a single computer provided student keeps the original solely for backup or archival purposes.

# Sample of **Other Software** Available From LWTech.OnTheHub.com

1. Windows 10 and Adobe Cloud are two of the over 100 choices of discounted software available from LWTech.OnTheHub.com.

The screenshot displays a software catalog interface with a navigation bar at the top. The navigation bar includes categories: Adobe, Microsoft, IBM, VMware, Parallels, Statistics, and More Software. Below the navigation bar, there are sub-categories: Most Popular, New Deals, Data Analysis, Photo, Video & Design, Security & Utilities, and Business & Office. A red banner below the navigation bar provides customer support contact information: "For Customer Support, please contact us by phone at 1-888-296-7467 (M-F 9:00 - 5:00 EST) or via email at support@lwtech.com. 24 hrs. You can also use our extensive FAQ by clicking on the help link above."

The main content area is a grid of software products, each with a thumbnail image and a title. The products are organized into several rows and columns. Some products are highlighted with red boxes, indicating they are featured or on sale. The products include:
